Plan speed, if you know it (e.g. 100 Mbps)

For the router or modem (the small box that often has lights): look at the label on the bottom or back for the make and model. A photo of the device and where it sits helps a lot. Do not copy the Wi-Fi password onto this form.

Router or modem make and model

Where is it? (room, floor, cupboard…)

Cameras

Approximate number of cameras wanted

Planned locations (barn, entrance, yard…)

Do you already have cameras in place?

☐ Yes ☐ No ☐ I'm not sure

If yes, brand and location, if you know them

Would you like the cameras kept off your main computer network?

☐ Yes ☐ No ☐ I'm not sure

Outdoor or weather needs

☐ Yes, outdoors (rain, snow, cold) ☐ Indoors only ☐ Both ☐ I'm not sure

Photos before the visit

A photo of the buildings to link, the view between them, the router, and where the power is often saves a wasted trip. Email them to soutienpc.sherbrooke@gmail.com, or text them to 873 314-2143.

Have you already sent photos, or is there anything to add?
